

COLD STORAGE ORDER FORM

GENERAL INFORMATION

A limited amount of refrigerated and freezer space will be available on-site. Exhibitors who require cold storage should complete the enclosed **COLD STORAGE order form**. Freezer and refrigerated storage space is available beginning at 12:00pm on Saturday, May 04, 2024 and ending at 7:00pm on Monday, May 06, 2024.

Exhibitors are charged at a rate of **\$8.00 per cubic foot with a minimum charge of \$110.00 + HST** for either refrigerated or freezer storage. The minimum charge cannot be combined for Exhibitors who require both types of storage.

Exhibitors are urged to order their cold storage in advance of the show as on-site orders may not be accommodated due to lack of space. Please ensure that every box, bag, carton, etc. of product is clearly marked either *“Freezer Storage”* or *“Refrigerated Storage”*. The exhibitor’s name and booth number must also be identified on every piece of product accepted into storage.

It is the exhibitor’s responsibility to remove the product from storage, including any product movement to and from the exhibitor’s booth. All products in storage must be removed by 7:00pm on Monday, May 06.

CALCULATING CUBIC FEET

Cubic footage can be determined by measuring your product (please include skids and packing materials) in inches and multiplying the height X the length X the width and dividing the result by 1728.

As an example, if your storage shipment is 36 inches high X 48 inches long X 30 inches wide, the result is 51,840 cubic inches divided by 1728 to yield 30 cubic feet.
